Sir,

Sub: Recovery of Loan amount from the Private and Govt. Aided Engineering Colleges who have participated in TEQIP-I

Ref: 1. MOU signed between the Institutions and the State Govt. of Karnataka  
2. This office letter of even No. dated; 31<sup>st</sup> March 2015.  
3. This office letter of even No. dated; 21<sup>st</sup> June 2016.

In pursuance of the National Education Policy the Govt. of India has launched 'Technical Education Quality Improvement Programme' for a total period of 12 years. The First phase was initiated during the year 2003 and was completed by 31<sup>st</sup> March 2009. During the 1<sup>st</sup> Phase 14 Engineering colleges inclusive of 07 Govt. and Govt. Aided 02 University and 05 Private Engineering Colleges were selected.

The Total Cost of the Project was borne by both Central and State Govt. in the ratio 80%;20% respectively. In respect of State Govt. Share of 20% the funding pattern in respect of Govt. Aided Institutions and Private Institutions will be in the form of Grant on Loan in the ratio 24%;76% wherein the 24% of amount will be in the form of Grant while the remaining 76% will be in the form of Loan to be returned by the respective Institutions.

The loan amount in respect of Private Unaided Institutions will have to be recovered over a period of 15 years after the completion of the moratorium period of 05 years. For Private Un Aided Institutions the recovery should be in equal Instalments.

In respect of Govt. Aided Institutions, the loan amount has to be recovered by reducing the Grant in Aid from 85% to 50% for a period of 15 years after the completion of the moratorium period of 05 years. For Govt. Aided Institutions the recovery should be by reduction of grants by 2.5% every year stagnant at 50%.

The recovery will be made from the financial year 2017-18 on words.

This is for information to all the principals of the Concerned Engineering Colleges.

Thanking you,

Yours faithfully,
