All the Commissioner, DoTE / SBTET

Dear Sir / Madam,

Greetings.

For the past 60 years, NITTTR Chennai has been a transformative force in the ecosystem of technical education, empowering faculty members through a diverse array of faculty development programmes that emphasize the latest industry advancements. Recognizing its pivotal role, the Ministry of Education, Government of India, issued a notification on 22nd February 2024, designating NITTTR Chennai as an Institution Deemed to be University under distinct category dedicated to award degree on area of contemporary needs. This prestigious recognition comes after extensive consultations with industry experts, esteemed academicians, and policymakers. In response, NITTTR Chennai is proud to announce the launch of an expansive suite of academic offerings, including **Master's Degrees (Regular and Working Professionals), Doctoral Research Programme (Regular / Part Time), Executive Doctoral Research Programme, and Online/Contact/Hybrid Training and Immersion Programmes towards creditization**. These initiatives will span the fields of Engineering, Engineering Education, Academic Leadership, and other related domains, further solidifying NITTTR Chennai's commitment to excellence and innovation in technical education.

All programmes will be handled by faculty members of NITTTR Chennai along with eminent resource persons including, accomplished academicians and industrial specialists at the forefront of their fields who are focused on providing the **knowledge and practical skills for career advancement** in a wide range of fields.

We invite you to find a complete overview of our upcoming opportunities and our full training catalogue creditizing to degree at NITTTR Chennai.

NITTTR Chennai will be offering PG Courses (M.Tech.) (Working Professionals / Regular), in the specialisations given below through Fractal Mode:
