About FDP

Accreditation is a process of quality assurance and improvement, whereby a program in an approved institution is critically appraised to verify that the program continues to meet and/or exceed the Norms and Standards prescribed by regulator from time to time. It is a kind of recognition which indicates that a program fulfills desired standards. The topics covered in the FDP will be of utmost use for faculty teaching at diploma levels. This FDP aims at providing a forum for members of the research and academic community to supplement their skills and knowledge in NBA-Accreditation process.

The FDP will include the following topics

- Outcome based Education (OBE) –Need of OBE, Quality assurance & its Key Components
- NBA Accreditation- Introduction, Pre-Qualifiers & e-SAR
- Drafting of Vision, Mission & PEOs
- Teaching Learning process, Curriculum gap & actions to bridge the gap
- Writing of Course Outcomes, Mapping of Course Outcomes with POs/PSOs, Computation of Course to POs & PSOs matrix
- Blooms Taxonomy, Question Paper setting to measure the intent of COs, POs & PSOs
- Computation of COs, POs & PSOs attainment, Direct & Indirect assessment tools
- Computation of different student performance Index
- Student Support System
- Governance & Institutional support
- Significance of Continuous Improvement in the NBA Process
- Challenges and Opportunities of NBA

Coordinators

Dr. Ranjith B - 9880925705

An Overview of Govt CPC Polytechnic

Government CPC Polytechnic is a premier technical institute situated in the cultural city of Mysore. It was established in the year 1954 under the erstwhile Mysore State Government. The sprawling land of 5.09 acres and spacious building of nearly 2,15,267 Sqft was donated by Sri C. Perumal Chettiar, a philanthropist, to the then Government of Mysore. Government CPC Polytechnic is an AICTE approved institution run by Government of Karnataka and coming under the purview of Department of Collegiate and Technical Education.

Vision

To be recognized as the best institution for value-based education and consultancy to meet the needs of industry, academia, and society.

Mission

1. To impart quality outcome-based education through best-in-class infrastructure, hands-on practice, and effective teaching-learning process.
2. To promote collaboration with industry, alumni, and other stake-holders to enhance opportunities for employment and entrepreneurship.
3. To provide value-based education by focusing on ethics, discipline, integrity, and social commitment.
