Dear All ROs,

**Subject: - Approval Process 2022-23**

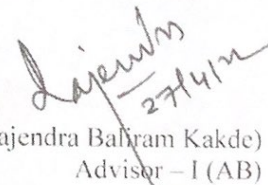

As you are aware that online of filling of application for Approval Process 2022-23 is currently under way.

It has been noticed in the past that many Institutes despite giving enough time for filling of their applications (including penalty), do not apply in time and approach this Council with a request to allow them to submit their online application after the due date. This situation is not acceptable because if the Council allows filling of their application after due date then the objective of deadlines given by this Council (In line with Judgement of Hon'ble Supreme Court) stands highly compromised.

In order to avoid such situation, it has been requested to the E-Gov to issue cautionary mail to all Institutions who have taken Extension of Approval (EoA) from the Council in the past THREE years so that they have enough window of opportunity to apply for EoA for A/Y 2022-23 till 30<sup>th</sup> April (midnight) and extended upto 5<sup>th</sup> May, 2022 (midnight) with penalty.

All ROs are hereby requested to contact and communicate with all Government Institutes / Authorities and inform them to complete filling of their online application for EoA for AY 2022-23 with in the stipulated time so as to ensure that no Govt. Institute is left out from the Approval Process for AY 2022-23 due to non-submission of online application.
