Subject: Violation of AICTE Act and Regulations on conduct of technical education programs/courses by the Institutions without mandatory approval from AICTE - Action to be taken.

Madam/ Sir,

The All India Council for Technical Education (AICTE) has been established by an Act of Parliament (Act 52 of 1987) with a function, among others to grant approval for establishment of new technical institutions, introduction of new courses etc. Regulations have also been notified by the Council with a provision that no technical institution shall conduct technical education programmes in Engineering & Technology, Management, Computer Application, Architecture & Town Planning, Pharmacy, Hotel Management & Catering Technology, Applied Arts and Crafts in India with or without foreign university collaboration without obtaining prior mandatory approval from AICTE.

The regulations also have a provision for taking action against unapproved technical institutions and also the institutions conducting unapproved courses. Such institutions have been directed from time to time through Public Notices and individual notices to seek AICTE approval for conducting technical education programmes or to close down. AICTE on notice of such institutions has also from time to time informed state governments/ UTs requesting them to take appropriate action against such societies/ individuals/ companies/ trusts etc. running the erring institutions.

AICTE has uploaded a list of such institutions running across the country on its website which is available at the link <http://bit.ly/AICTEUnapproved>. The name of institutions running in your State/ UT is given at Annexure - I. You are requested to take a serious view on this and an appropriate action against the institutions/ colleges conducting unapproved programs/courses. A report along with consolidated list of institutions (with details) and action taken by your government is urgently requested within 15 days for tabling a consolidated list in the forthcoming session of Parliament.

You are also requested to be vigilant of such institutes and take prompt steps against the erring institutions/ societies/ trusts etc.

Yours faithfully,

Advisor-II(P&AP)
